

ADDITIONAL SERVICES

At Johnsons London Linen we understand how much hard work goes into running your business. That is why we do everything we can to make sure your service is as trouble-free as possible.

Laundering of Customers Own Products

Johnsons London Linen do not normally process customers' own work. However, on occasions, we shall agree to undertake the processing of certain items but this is at the CUSTOMER'S OWN RISK.

Before undertaking any processing of such items Johnsons London Linen will issue a written agreement and may request some products to undergo wash trials to ensure that the items are capable of withstanding the industrial laundering process.

Loans

In addition to regular hire, we also offer existing customers the option of short term hire if required for events and functions. Please contact Customer Services for current pricing and availability.

Embroidery

We are able to offer a professional embroidery service, including logos and text. Details of this service can be provided by Customer Services.

Dry Cleaning

We offer a dry cleaning service for your corporate workwear. Please contact Customer Services for pricing.

Repair Service

At Johnsons London Linen we have the facilities to be able to offer our customers a repair service, including replacing buttons, garment alterations e.g. shortening of trousers and general repairs. Details of this service can be provided by Customer Services.

Hot Towels

We offer high quality white non perfumed hot towels. Please contact Customer Services for pricing and further details.

Emergency Stocks

Based centrally in London we are uniquely situated to respond quickly to requests for emergency linen, often required on the same day for all your unexpected requirements.
